

Monik Vega, M. Ed.
Sr. Program Manager
Partnership for Children & Youth

Monik Vega has 14 years of experience in education, worked in expanded learning programs and launched state licensed child care centers and spearheaded the advocacy and workforce initiatives for a community-based organization. She is a seasoned professional development specialist and has facilitated training for all levels of expertise throughout her expanded learning career. She has served on a Community Advisory Committee for Special Education since 2020 and also volunteers for the School of Rock. Monik earned her BA in English from San Diego State University, her Master's in Education and Training from the University of Phoenix and in 2020 she earned a training certificate from the National Society of Leadership and Success.
