

**Rina Serrano**

*Coordinator, Student and Parent Support Programs  
Hayward Unified School District*

Rina Serrano is an Expanded Learning Program Coordinator with Hayward Unified School District in the Bay Area. With 26 years of experience in the education field helping families with social change, Rina specializes in the student and family services department where she has implemented new programs and grants and started before and after-school programming. She earned her Bachelors in Liberal Studies and a Master's in public administration. Her goal is to create a full-circle approach by being part of her district's Community School work and making sure all students are served.
